44th District

2004 Pre-Session Survey

Dear neighbors,

Our state has important choices to make. How can we improve our schools and create jobs? What are the best ways to reform health care and unclog traffic gridlock?

We'd like to hear what you think. It's refreshing – and more useful – to hear the stories and ideas of real people like you.

Many of you are concerned about the Marysville teacher strike – the longest strike in our state's history. We share that concern. We've had four teacher strikes in our local schools in the last few years, and those strikes only hurt kids, parents and teachers. Nobody wins. That's why we're introducing legislation to prevent strikes by requiring binding arbitration.

If you want to comment on a specific issue, you can send an e-mail or call the Legislative Hotline at 800-562-6000.

Our democracy is only strong when everyday citizens can have a dialogue with the lawmakers who represent them. It's an honor and a privilege to serve as your representative, and we hope to hear from you soon.

Sincerely,

Rep. Hans Dunshee

Rep. John Lovick
